## THE OSPREY PACKS & MOUNTAIN FUND TRIPLE-R OFFER

RECYCLE & REDEEM FOR REUSE  
MARCH 1 – LABOR DAY 2007

Send your unused or old pack to be used by another and receive a refund on a new Osprey Pack! Here's a few of the organizations you'll help through your pack donation to the Mountain Fund, [www.mountainfund.org](http://www.mountainfund.org).

**Empowering Women of Nepal** - Pokhara Nepal. A NOLS style outdoor program for Nepali women designed to help those women find employment in the trekking industry.

**Climb High Foundation** - Working with women in Uganda, Climb High has worked to open up career opportunities for women to work in the trekking and climbing industry.

**The Alpine Fund** - Located in Bishkek, The Alpine Fund takes kids living in state run orphanages out for mountain hikes and adventures to help them re-socialize and form a support network that they will need to make the transition from life in the state homes to life in the real world.

**Porter Groups** - The Mountain Fund supports several porter groups including IMEC, IPPG and Porters Progress in Tanzania and Nepal, as well as their own porter support program in Peru.

**Big City Mountaineers** - Provides urban teenage youth in need of positive adult mentoring with challenging and safe wilderness experiences led by qualified outdoor guides.

**Boy Scouts** - Supporting poor rural Boy Scout troops in New Mexico and Colorado, your backpack will go to boys who want to backpack with Boy Scouts and cannot afford a pack.

## STEP 1: SEND MOUNTAIN FUND YOUR UNUSED OR OLD PACK

Do you have an old daypack or backpack collecting dust somewhere? That pack that didn't work for you can work wonders for someone else.

The Mountain Fund works for mountain communities bringing health care, human rights, responsible tourism and environmental progress. Many of these programs need your old pack, from outdoor experience education programs for kids in Bishkek to outdoor leadership programs for women in Nepal. Your pack can be any brand and any size. It must be washed and in good condition with fabric, straps, buckles, harness and if applicable, hipbelt intact. Mountain Fund is unable to perform repairs. Send your pack with the Triple-R Recycle Form to the Mountain Fund. See form in Blue to right.

Once your pack is received and determined to be in good condition, the Mountain Fund will send you a "Pass on the Passion Email" thanking you for your donation and detailing information on the organization that will receive your pack. Save yourself some hassle — don't send a pack in condition that is unusable by your fellow human being!
