### [Osprey Packs to Sponsor Hike](#)

Posted on 10 February 2009 by Graham Faassen

I am incredibly pleased to announce that Osprey Packs has agreed to sponsor my Appalachian Trail hike! Osprey will be providing me with the Atmos 65 pack in exchange for a comprehensive evaluation of the pack as well as access to content and pictures from my website and trip for their own marketing purposes.

I am very excited about this partnership as Osprey is renowned for designing and constructing quality, light weight, durable backpacks for trips as short as a weekend to as long as a 6-month thru-hike and more. It is my hope that this is just the beginning of a long-lasting partnership with Osprey and might lead to partnerships with other companies in the industry.

Be sure to check back to this site often to see reviews of my Osprey pack! For more information about Osprey Packs visit their website at [www.ospreypacks.com](http://www.ospreypacks.com).
