Spring/Summer 2011 PRODUCT MARKET SHOWCASE

Osprey

The new Hornet Series of super-light-weight packs have been stripped down to the essentials for ultra runners, adventure racers, peak baggers or anyone who aspires to move fast with minimal weight. The series is available in 24L, 36L and 42L capacities and weigh in from 1 pound, 2 ounces to 1 pound, 8 ounces. Highlights of the series include hydration compatibility, highly ventilated and supportive Bio-Stretch harness with adjustable sternum strap, super-light spacer mesh vented backpanel with removable foam pad, and Bio-Stretch hip belt with zippered pockets and ErgoPull closures. SRPs range from \$119 to \$159. www.ospreypacks.com
