Osprey

Shuttle

The Shuttle was designed to combine resilient gear hauling with rolling ease. It features the Osprey High Road Chassis with a 6061 Aluminum frame, injection-molded high clearance ABS base with integrated footbar and large polyurethane wheels with sealed bearings. It has a foam padded top and side grab handles as well as foam padded side walls. The Shuttle is available in 3 sizes: 32 in./110 L (\$279), 28 in./80 L (\$249) and 22 in./40 L. (\$219).
