Featuring: The Verve 13

Circulation: 686,471

Readership: 2,059,413

5. OSPREY VERVE 13 \$94
With Osprey's new hydration reservoir, which has a stiff spine and compresses evenly while draining, this 13-liter pack doesn't turn into a hot dog when filled with water. Thoughtful bells and whistles, like the fabric-lined sunglasses pocket and the magnetic bite-valve attachment on the chest strap, complete the package. 1.6 lbs; ospreypacks.com
