GEAR & GADGETS TO GO

Take your out-of-town experience to the next level with these 10 new travel essentials, singled out just for him and for her. –Isabelle Gullö

Carry On

HIS The eco-conscious explorer will appreciate the (3) Osprey Float, part of the company's ReSource line of earth-friendly day packs. Made of 85 percent recycled materials, this compact carrier comes with side pockets to hold your water bottle and MP3 player. (\$78, ospreypacks.com)
