Christmas Cases

Featuring: Shuttle 22"

Circulation: 24,000

Readership: 80,000

It's almost Christmas and the perfect gift for regular travellers is luggage, from stylish briefcases to sturdy hold-alls ready for travel off the beaten path.

# Christmas Cases

If you're headed out into the wild, don't go without the new **OSPREY Shuttle 22"**, a rolling pack that offers versatility and protection for your most important gear. With multiple pockets for smaller items and padded foam inner walls, the bag is specifically designed to meet most airlines' carry on restrictions, and is available in juniper and charcoal. From US\$219; [www.ospreypacks.com](http://www.ospreypacks.com)

With a legacy spanning more than 100 years, **ROMANA** is a luggage gift that keeps on giving. The newest piece in the brand's aluminum luggage series is the **Supra Black**, a stylish yet sturdy multi-wheel case in 55.75 inch models that looks as good on the cover as it does in the back of the Bentley. From US\$219. [www.romana.com](http://www.romana.com)

Perfect for the eco-warrior heading out to explore foreign shores, the **Silvery Messenger 2.0** Messenger bag by **BLACKHOLE** is constructed from super-tough performance fabric made from 100 percent recycled polyester, and takes up almost no space in the suitcase. The bag comes with internal water bottle pouches, a padded tote quick access pouch, and a quick-tear shoulder strap. [www.rolobahip.com](http://www.rolobahip.com)
