GEAR

50 Take the **Mobi TC** to the snow with your ICE device. You can enjoy it by tracking the screen, or by touching it via your device's gyroscope. It's best flown while boating the Air Wolf Home. [giftknights.com]

51 Use the **Sharkooth** **52 Compact MopPro 7** as a hand or an umbrella — or just use it to dig out your Mustang. [bender.com]

53 The **Carver Circuit** **54** A.A.S. lives up to its name with a quick-release blade that opens with a finger flick. [japanes.com]

55 The **Tree Carrier** **56** Best features a brass buckle tailored for the harness used to tie horses to wagons. [dunham.com]

57 Display your knives **58** on the beautiful **Blackburn Knife Box**, magnetized to hold your finest blades. [dunham.com]

59 Editions of all things will dig putting down roots in the **50** **Mulca Co. Handle Pouch** [japanes.com]

61 **Chris Fowler's Bike and his Cream** slip over the Montgomery Avocette and Grant's pants. [japanes.com]

62 The **Treasure Salt Beer**'s rubber exterior wards off the wet stuff while its sock-like liner keeps feet warm. [japanes.com]

63 The new **Shred 2000** rotary tool tackles cold weather tasks with ease. [japanes.com]

64 The **Emo Malleo** uses charges your iPhone via solar power — 20 minutes of talk for each hour in the sun. [japanes.com]

65 Enjoy charcoal-grilled BBQ but hate the haze of lighter fluid? Turn off your heat! Turn the flame on your gas grill with the **66** **LaurelLighter** at a pile of longburners and it sets them alight in less than 30 seconds with a focused 1,250-degree stream. [japanes.com]

67 All your cables. This **68** **69** **70** In addition to its big **71** **72** The gym-specific **73** **74**

75 **76** **77** **78** **79** **80** **81** **82** **83** **84** **85** **86** **87** **88** **89** **90** **91** **92** **93** **94** **95** **96** **97** **98** **99** **100**
