THE WARM ESSENTIALS FOR
swim + bike + run

OSPREY VERVE 4

There is nothing better than hitting the trails to run this time of year, and being properly equipped makes it all the better. Having a great, lightweight, functional pack to run with is essential. The sleek Osprey Verve 4 is a great pack to hold your extra layers and hydration needs. So go get lost on the trails and know that you have your essentials with you—so you can keep running strong. **PRICE:** \$50
