Osprey

Ozone

Built on the new HighRoad LT chassis, which is 20% lighter than the original HighRoad chassis, the Ozone is developed to offer a full-featured package with smooth roll, rugged performance and multiple organizational features. The Ozone Series includes three sizes: 28 in./80 L for extended trips and gear hauling, 22 in./46 L for general carry on and 18 in./36 L for international carry on. The retail prices range from \$199 to \$249.
