8 Water Bottles That Make a Splash

These innovative beverage holders help keep you hydrated on the trail, on the road, at home or on the job

◀ 6 of 8 ▶

Osprey Verve/Viper 4 (\$69)

The Verve (for her) and Viper (for him) are both great lightweight and low-profile [hydration](#) options for cycling, hiking, walking, and running. Both models feature a bungee lacing system to store loose ends, a helmet or hat clip right on the pack, capacity for a 2-liter hydration reservoir, and a decent array of pockets for stowables.

Add some pep to your H-2-ho hum with these [12 Ways to Make Water Less Boring](#). Plus, track every mile you walk, run or ride for free with our online [FitTracker tool](#).
