The Best New Outdoor Gear for Spring

From stay-dry, stylish clothes to the last water bottle you'll ever need, we've rounded up the latest and greatest in outdoor gear.

OSPREY SIRRUS 24 BACKPACK

"The frame of the pack contours to your back for an extremely comfortable fit," says Jessica Matthews of the American Council on Exercise. Other perks: a built-in rain cover, tapered shoulder harness, and narrow waist belt (\$99, backcountry.com).
