Father's Day Gift Guide 2012

Father's Day is coming up, and though Dad says he would be content with a game on TV and a mid-afternoon nap, we think he wouldn't mind getting one of these awesome presents, either! So whether your father — or the father of your children — is the outdoorsy type, Mr. Fix-It, or the life of the party, you'll find great ideas for him at every price point (and there's still time to ship it before the big day!). Happy shopping! — *Aaron Burgess*

Dad won't have much time for the gym during baby's first year, so help him compensate with a power walker's backpack he can load up with child weight. Equally comfy for Dad and baby, the Poco Plus is perfect for casual hikes, trips to the zoo, and other excursions.
