What We Ran at Snowbird

Featuring: Karve 11

Circulation: 125,000

Readership: 550,000

**Backpack:** The **Osprey Karve 11** easily holds snacks and avalanche safety gear for sidecountry forays, but isn't too bulky for lift rides. A hydration sleeve and diagonal ski carry let it work for longer hikes. **\$89; ospreypacks.com**
