Gear for the Road

### **19 Winter Picks for On-the-go Gals**

*By Jenny Willden*

Traveling in the year's coldest, darkest season need not be miserable. Brighten your experience with amazing gear picks that make the journey easier! Add these to your last-minute Christmas gift list or buy them for frequent-flying friends.

Osprey Ozone 22" Carry-on  
Breeze through security with this efficient, lightweight rolling carry-on. The minimalist design organizes valuable documents and clothing without the weight of traditional bags. A rear zippered pouch lets you easily access essentials, and the smooth rolling wheels and ergonomic handle offer great mobility. Larger sizes also available. \$229
