Osprey's Ozone Series sets a new standard for lightweight wheeled luggage. Using years of experience building lightweight packs Osprey carefully engineered the Ozone to strip out excess materials but retain strength, quality and performance. New for Fall 2013, the Ozone Convertible 28" / 70L and 22" / 50L feature an integrated zip-off daypack and backpackable carry at very light weight. Both packs include a zip-stow removable shoulder harness and hipbelt. Ozone 28" / 70L; Cubic inches: 4272; Lbs/Ounces: 6/9; **\$329**
Ozone 22" / 50L (Maximum carry-on size); Cubic inches: 3051; Lbs/Ounces: 6/2; **\$299 • ospreypacks.com**
