Osprey Reverb 18

Upon unwrapping, sidecountry enthusiasts will instantly appreciate how the low profile of the Reverb allows for both comfortable lift seating and dynamic riding. It offers just about everything the discerning winter adventures could desire, including quick carry options; insulated hydration delivery;

sleeves to carry most shovels and probes; Goggle pocket; full foam padded front panel to prevent ski edge wear; and backpanel entry to the main dry compartment to

access gear when carrying skis or a snowboard and keep the backpanel, harness and hibelt out of the snow. SRP if \$99. 1
