## Osprey Ozone Convertible Luggage

The new Ozone series by Osprey is all about convenience without clutter and efficiency without excess. It has a lightweight design and a handful of practical features that makes it perfect for the avid and active traveler in your life. Its most notable features: a backpack-style carrying harness (accessible through a removable back panel mesh cover) and a zip-off daypack. **\$329;** [ospreypacks.com](http://ospreypacks.com)
