

Paved

Winter 2013

Featuring: Pixel Port

OSPREY PIXEL PORT

\$140 / OSPREYPACKS.COM

While Osprey has been in the pack game for over three decades, the brand is relatively new to cycling. Branching into the hydration pack market several years ago, they quickly had competitors on their toes—and for good reason. Osprey's commuter line steps up the game in a similar fashion, with the Pixel serving as a prime example.
