What's your favorite or least favorite piece of outdoor gear or apparel? What equipment or apparel can you depend on in the backcountry?

[Tell us](#) about it in a gear review this week and you're entered to win an Aether 70 or Ariel 65 backpack thanks to [Osprey](#) (\$290 value).

To Enter:

- [Write a review](#) now through Sunday, March 30, of your outdoor gear, apparel, or footwear. Every review counts as an entry, and helps other outdoor enthusiasts.
- Share your review on [Facebook](#), [Twitter](#), [Google+](#), or other social media.
- You're entered! On Monday, March 31, we'll randomly draw one lucky gear reviewer to win his or her own Ariel 65 or Aether 70 pack.
- We'll also throw in a [Trailspace Trail Runner Cap](#) to wear on your outdoor adventures.

The Prize

The [Ariel 65](#) and [Aether 70](#) are fourth generation packs that weigh 4 pounds 15 ounces (medium), and are designed to comfortably carry loads for backpacking and mountaineering.

Both feature: front and side compression, stretch front and side pockets, tool attachments, AirScape vented back panels, external hydration pouch, IsoForm molded hipbelts, and top and panel load access.

Share your gear review and you could win an [Ariel 65](#) (above) or [Aether 70](#) pack (\$290 value).
