OSPREY PACKS

The Osprey Syncro 3 is a minimalist hydration pack for shorter rides and racing endeavors. The ventilated BioStretch harness and the AirSpeed suspension with mesh back panel and side vents ensure a cool and comfortable ride. Other features include padded spacer mesh hip wings with straight ErgoPull hip belt, LidLock helmet carry, blinker attachment, internal reservoir sleeve with Osprey's latest 2.5-liter Hydraulics LT Reservoir, organizational pockets and front shove-it pocket.

SUGGESTED RETAIL: \$80
