Backpacking Gift Ideas: Our 2014 Backpacking Gift Guide

Looking for gift ideas for an avid backpacker on your list? Our backpacking gift guide features our trail-tested favorite backpacking gear, and the backpacking and hiking gifts that top our own lists this year.

We test tons of hiking gear over the hundreds and hundreds of miles we hike and backpack each year. We've wrapped our favorite backpacking gear into our 2014 gift guide to make gift giving easy for the backpacker on your list. Find the perfect gift – or some new gear for your own backpacking adventures.

FEATURE-PACKED

Osprey Aether 60 Backpack

WHY WE LOVE IT

We've loved backpacking with our Osprey packs over the years, and while our Aether 70L is still going strong, we love the upgrades on this newer model. The Osprey Aether 60 is a mid-sized pack that's perfect for overnights and multi-day adventures, and it offers outstanding on-trail comfort from its innovative suspension.
