### The Gear Shoppe FOR THE LADIES

**Mountain Khakis Granite Creek Windshirt** is windproof nylon ripstop melange is UVA-UVB 50+ with DWR (Durable Water Resistance) and is coupled with a mesh drop lining. Super soft brushed tricot lines the collar and hand pockets. Stretch performance cuffs and zipper stormflap. MSRP \$120 [mountainkhakis.com](http://mountainkhakis.com)

**Bettona Boyfriend Shortie** from Athleta. Stretchy, wicking, durable Pilayo® makes this jean-style shortie from our customer-favorite Bettona family perfect for all your worldly wanderings. Pilayo® (Supplex® Nylon/Lycra® Spandex) wicks, breathes, and is rated UPF 50+. The Boyfriend Shortie is Semi-fitted and Mid-rise with Faux fly, elastic waistband, belt loops. MSRP \$49 [athleta.gap.com](http://athleta.gap.com)

The **Osprey Beta** is a larger capacity, technically sophisticated flap style courier bag designed with access to 21<sup>st</sup> Century electronic devices and built to enhance the daily experience of moving through the world, however you choose to do it. MSRP \$130.00 [ospreypacks.com](http://ospreypacks.com)

The **X-alp Enduro** by Pearl Izumi. Performance & comfort and with the security of a ratchet buckle system and the versatility of the X-Alp sole. 1:1 Anatomical Buckle Closure System reduces hot spots and removes pressure from your instep. Quick drying, highly breathable mesh/synthetic upper. Carbon rubber lugged outsole for superior traction and durability. MSRP \$120 [pearlizumi.com](http://pearlizumi.com)

**CamelBak®** introduces the brand new **Spark 10LR™** mountain bike pack specifically designed for women. The Spark 10LR incorporates the new NV back panel which is designed for maximum ventilation for long rides. The pack transfers weight onto the hips for comfort on the trail. MSRP \$110 [camelbak.com](http://camelbak.com)

If trail ahead is filled with adventure, water and rocky sections, the **Vasque Lotic** rises to the challenge, built for wet environments when high traction and grippy soles are a necessity. The Vibram® Slickrock outsole with Idrogrip has 3mm lugs and ultra-stickiness for superior traction. Portals in the soles allow water to drain out of the shoe while a monofilament screen keeps silt and pebbles out. Men's and women's sizes. MSRP \$ 99.99 [vasque.com](http://vasque.com)

The **prAna Jordi Jacket** is rain gear you gals will want to wear rain or shine. A ruffled hem, intricate print, and attractive longer length all combine to create a lovely unique style. A 3K/3K breathable waterproof laminate, critical seam sealing, durable water repellent finish, and a waterproof zipper will keep you (and the tunes in your interior zip pocket with media port) dry. Snap flap pockets. In Coal or Raisin Print. Five sizes. MSRP \$179 [prana.com](http://prana.com)

Treat your sweetie to the ultimate in women's hiking boots. The **Sugarpine Boot** from **AHNU** steals the spotlight with brightly colored uppers and low profile aesthetics, while boasting waterproof technology, Vibram® rubber outsoles and Ahnu's Numentum technology for underfoot support and comfort. This lightweight hiker is designed for all day comfort on the trails and city streets. MSRP \$140 [ahnu.com](http://ahnu.com)

For 2014 **Granite Gear** introduces its first ever adventure luggage line, the **Cross-Trek Collection**, an example of what technical design, functionality, and tested durability can offer the modern adventure traveler. The brand new collection comes complete with five different pieces. Mix and match for your travel needs. MSRPs range from \$90 for the 36 liter pack to \$180 for the 32" bag. [granitegear.com](http://granitegear.com)

The **Osprey Beta** is a larger capacity, technically sophisticated flap style courier bag designed with access to 21<sup>st</sup> Century electronic devices and built to enhance the daily experience of moving through the world, however you choose to do it. MSRP \$130.00 [ospreypacks.com](http://ospreypacks.com)
