Q: What's the Best Backpacking Travel Gear?

Stuff these in your pack and head out of the country with peace of mind

A: Whether you plan to live out of your backpack for a week or a month, you're best served by traveling light. Here are eight pieces of gear that will help you confront whatever adventure—or misadventure—international travel may throw your way. Bonus: They all fit in a 46-liter pack.

Osprey Porter 46 Backpack (\$130)
