## Easy Riders

Designed for bikepacking, this pack will haul a ton of gear and still feel balanced when you ride. A bottom zipper makes it easy to reach stuff in the bottom of the pack and an internal divider helps keep everything sorted. It's ideal for a Telluride-to-Moab trip. **\$130**; [ospreypacks.com](http://ospreypacks.com)

### 7. Osprey Escapist 32
