10 Great Gift Ideas for Father's Day

This weekend, make sure you express your appreciation to your father with one of these high-end gifts.

The big day is coming this [weekend](#)! These gift idea are meant to show your appreciation for your father in a big way. You've reached a milestone in your career, built up a company, or even surpassed your father in business-now it's time to express your thanks.

7. Osprey Atmos Backpack (\$250)

The most unusual feature on this high-tech backpack is that it sits suspended off your back, so dad can add more gear for hikes and camping. Air flows easier as well. A large lumbar support helps with load-bearing and there are plenty of attachment loops and compartments.
