New on the job in the outdoor industry

→ OUTDOOR RETAILER is as much a celebration of the people in the industry as it is the products. And for many, it's the main stage for introductions.

Whether you're an industry vet with a promotion or a fresh face to business, those new on the job take advantage of the show to make a strong first impression with a handshake, in-person meetings and invaluable networking.

Here are just a few in the industry who come to Summer Market with new jobs:
