Why buy boring socks and scarves for family and friends when the coolest new gear and gadgets are just a click away? Whether you've got \$25 or \$250 to burn, we're here to help you give your loved ones the gift of health and fitness. From a [Daily Burn subscription](#) to a Star Trek sushi set, we're banking on these 45 gifts to help make you the best Secret Santa yet.

11. Portable pack. Hikers can take a load off with the [Osprey Ultralight Stuff Pack](#), which weighs in at just three ounces (so light you'll forget it's there!). Zip it into a pouch the size of your palm when you're done on the trails. (\$35, ospreypacks.com)
