2015 Outdoor Gear Gift Guide

■ Adventurous Gifts for Any Budget

What will the holidays bring for adventure? No matter what the weather outside, there'll be something exciting brewing indoors when your favorite outdoors lover unwraps one of these fun surprises—even if your favorite outdoors lover is you.—*Steve Casimiro*

What if the stuff you stuff in a stocking is something that itself is made for stuffing? At four-by-four-by-two-inches compressed, the Osprey Ultralight Stuff Pack is so small it'll go anywhere, even the bottom of a briefcase, then pop out into an 18-liter backpack ready for the nearest trail. Its weight? A feathery three ounces.
