*Key pieces of packing help for life on the road or trail*

## Osprey

Not surprisingly, Osprey makes some of the most reliable, weatherproof pack organization, from compression sacks and camera cases to removable backpacks and rain covers.

**We like:** the **Ultralight Drysack**, a hugely useful waterproof roll-top sack made from 40D silnylon double rip, which is absurdly light given its excellent tear resistance. In five sizes, from 3 to 30 liters; \$13–\$25
