Q: I need the perfect present for my boyfriend's birthday! He's a cyclocross racer, mountain biker, skier, rock climber, and camper, and loves all outdoor gear and tools. Any great ideas within the \$150 range??

-Sara

A: Osprey Kestrel 32 pack (\$129). Excellent 2,000-cubic-inch-capacity pack that's perfect for day hikes, climbing, even when on a mountain bike.
