Question of the Day

Who Would You Spy On?

In today's special feature (page 18), author Michael Hodgson discusses the problem of corporate espionage at the show. But if you could legally sneak into any exhibitor's booth for a sneak peak, whose booth would it be, and what products would you want to see?

"Osprey to see their hydration packs, which is a new market for them."

- Peter McConkie, sales manager, Liberty Mountain
