2012 Outdoor Gear

Summer Outdoor Retailer, the biggest trade show in the biz, just wrapped up. We got a preview of next summer's gear, check it out.

For the parent that doesn't want to settle with hanging around the house with your kid, Osprey has come to the rescue while entering into the kid carrier market. Not only are these kid carrier's super cool looking and feature rich, they also adjust to fit both mom and dad. \$199-\$299
