**GEAR Mountain Bikes and Accessories**

Everything you need to explore safely and happily on two fat, knobby wheels, plus why these sets of wheels rock, according to your favorite pro-mountain bikers who ride them.

Isn't the swirly pattern fun? The **Osprey Verve 10 hydration pack** has an array of storage pockets for your pump, tools, tubes, and treats, plus a three-liter reservoir for water. Compression straps and a stretch pocket on the outside hold those extra layers. \$84; [osprey.com](http://osprey.com)

**When mountain biking, long-fingered gloves are a great choice—unless you're not just looking for protection, but also want to keep your hands warm and dry. The Specialized Women's All Comp 29 is a great choice for women who want a bike that is both fun and functional. The bike is designed with a focus on safety and performance, making it a great choice for women who want to explore safely and happily on two fat, knobby wheels.**
