The Better Carry-On

NEW YORK METS PITCHER R.A. DICKEY LOGS TENS OF THOUSANDS OF MILES IN THE AIR EVERY YEAR, SUITCASE IN TOW. SO WE ENLISTED HIS HELP IN IDENTIFYING THE IDEAL ONE. *by* JESSE WILL

Osprey Ozone 22

\$230; ospreypacks.com

Osprey used lessons and materials from its hardcore backpacking line to create the lightest fully-featured carry-on on the market, at a scant four pounds. "I was skeptical, but the one-bar, one-handed design works," says Dickey. "It's more like a rolling duffel and could use more compartments. This one's best for quick trips."
