### OSPREY PACKS

#### *Xenith/Xena*

Osprey's new Xenith (men's) and Xena (women's) packs are designed with pocketing, multiple zip access points into the main compartment, side pockets and a new way to carry a reservoir. A beefed up version of Osprey's LightWire peripheral frame suspension creates the structure, while the Bio-Form4 CM hipbelt and harness provide a supportive and customizable fit. Available in Xenith 105, Xenith 88 (featured) and Xenith 75 as well as Xena 85 and Xena 70. Retail range \$319-\$379.
