Featuring: Atmos 65

URL: <http://tinyurl.com/9rvvh6s>

The Osprey Atmos 65 is a lightweight, highly breathable, and very comfortable pack. For those that demand the perfect fit, the latest Atmos pack features an adjustable harness on the shoulder straps, a super comfortable hip-belt, tensioned mesh on the backpanel, and Ospreys LightWire frame. All of these things add up to a pack that will feel like an extension of your body, while keeping your back nice and cool on those hot Summer days.

Sizes: 65L, 50L

Price: \$238

Colors: Graphite Grey, Glacier Blue, Oxide Red

Best used for: Backpacking, Travel, Climbing, Hiking
