## Quasar by Osprey

The Osprey Quasar is an active, everyday pack that bridges the gap between your work day and after-work play. This is the ideal commute pack, and it is equally at home on the trail. The Quasar features an Airscape-style back panel with ridge-foam padding and shoulder straps that are covered with spacer mesh to provide cushioning and ventilation. Additional features include a MP3 pocket, a laptop sleeve with padded base and a front pocket with mini-organizer.
