Hard work and stylish gear seems to be the recipe for success—which is why we tracked down these leading ladies' favorite labels

OSPREY MANTA HYDRATION PACK

While this hydration pack isn't exactly [workout clothing](#), it does make a great accessory! A-list ladies like **Uma Thurman** have been spotted with the multisport backpack that comes with important yet fun features for adventure-based workouts. With an integrated rain cover, [trekking pole](#) attachment, numerous pockets, and a 3-Liter reservoir included, you'll be ready for whatever the elements (and terrain) throw at you!
