Christmas 2012 Gift Guide: Under \$250

Finding great gifts at this price is not that hard to do. It was hard for us to choose which products to include and which one to leave out. In this gift guide you will find gear that will make just about anyone on your list. You hvae included goggles, jackets, bags and much, much more. With only a couple weeks left before Christmas it is time to get shopping.

Osprey Pack Ozone

The Ozone is one of the lightest fully featured rolling luggage on the market, weighing in at only 4 pounds and featuring Osprey's new HighRoad™ LT Chassis Suspension. Using Osprey's years of experience building lightweight packs; they carefully engineered Ozone, stripping out excess material, but retaining strength, quality and organization.

Features:

- 210D nylon shadow box
- 210D nylon velocity
- HighRoad™ LT Chassis Suspension
- Ergonomic retractable handle
- 6001 aluminum frame
- Ultra durable injection molded high clearance ABS base
- Large polyurethane wheels and sealed bearings
- MSRP: \$199-\$249
