2012 Gear Guide: Kids, Pets & Fun Stuff

Great gear gifts for the holidays isn't just jackets, tents and packs. There's fun stuff too—from guidebooks and activity gear, to family games and accessories for your four-legged companions. Treat the ones you know to some outdoor fun of a different sort this season with one of these select items.

Osprey Ozone Luggage

When taking off for those road trips or far-off adventures, they'll need reliable luggage to get their gear there. That's where Osprey's [Ozone Luggage](#) comes in. Lightweight and rugged with smart organization features, these compact rollers will make getaways a breeze. \$199-\$249
