Readership: 60,000

... from
has become a standard
on the Appalachian
Trail and with ultralight
enthusiasts not willing to
sacrifice comfort. The new
ExoForm harness and hip
belt on the redesigned
Exos feature a unique
layered mesh structure
providing superlight
comfort combined with
OSPREY's tried-and-true
AirSpee suspension for
great carry.

(MSRP \$220) #5010
