## Holiday Gift Ideas For Your Outdoor Enthusiasts

Before you hit the Black Friday sales this weekend here are some gear picks for those outdoorsy folks on your list. They certainly won't be disappointed if you choose from one of the items below. Some of the items have made it on this list again from last year because I love them that much. Some of the items I've recently discovered and I'm so glad I did.

Check back tomorrow for a great list of gear for your tykes.

### Osprey Talon 22

If you have a person on your list in need of a day pack, check this one out. This backpack is lightweight, but with the features that keep all of your gear organized and easy to carry. Here's my review on the [Osprey Talon 22](#)
