### GETAWAY GEAR

#### 29 Summer Travel Favorites

By Jonny Willden and Melissa Wickham

Whether camping in Zion or crosscountrying the globe, the right gear makes the journey easier. Check out these apparel, footwear, and accessory picks for your next summer adventure.

**APPAREL AND FOOTWEAR**

- 1. Loden Creek Drive**  
Pack lightweight 100% Merino wool shirts for your next road trip. The lightweight fabric keeps you cool and comfortable, and it's also resistant to you can wear it over and over. \$120 [loden.com](http://loden.com)
- 2. Stone Island Women's Long-sleeve Crew Neck**  
Designed to perform on the road and look great in the city, this top's convertible crew neck can be worn open to ventilate or closed for warmth. 95% good fabric, prevents backpack straps rubbing to keep it looking new. \$79 [stoneisland.com](http://stoneisland.com)
- 3. Osprey Breakup Tablet Pouch**  
Keep essentials organized with this smart's plethora of pockets and a padded interior tablet sleeve to protect your gadgets. \$40 [osprey.com](http://osprey.com)
- 4. Patagonia Women's Bulfinch Hat**  
Shearling leather hat/cap makes this the perfect hat for the perfect road trip. Combines cool and warm in one. \$60 [patagonia.com](http://patagonia.com)
- 5. Altra Women's Scarpin Boot**  
Despite the pretty aesthetic, the Scarpin is one tough boot. Fully waterproof with shearling rubber outsole, they're surprisingly light and built to withstand long trail miles. \$140 [altra.com](http://altra.com)
- 6. Gaudinier Trail Sunglasses**  
Available with a prescription or without, Gaudinier's polarized frames are comfortable with your choice of lens, tint, and mirror finish. The style best the larger lens. \$189 [gaudinier.com](http://gaudinier.com)
- 7. Outdoor Research Women's Fly Away Tank**  
Whether you're hiking, climbing, or mountaining, this ultralight tank made of ultra-breathable fabric is a perfect partner. With adjustable straps and a built-in bra for support. \$60 [outdoorresearch.com](http://outdoorresearch.com)
- 8. Proof Four Eye Sunglasses**  
Proof's technical ECO Collection shades like the line between function and fashion. Crafted from sustainable cotton-based acetate and wood with high-quality polycarbonate lenses in a unique wrap-around style. \$125 [proof.com](http://proof.com)
- 9. Patagonia Nano Puff Pullover**  
Even in the middle of summer, mountain nights can get chilly. When temperatures drop, pull on the light, Proof, ONE included half zip for added warmth. For men and women. \$170 [patagonia.com](http://patagonia.com)
- 10. BibbaLife CoolWear Undershort**  
Other underwear, a great thing underneath is a man's best friend. Constructed from softer, stronger Supima cotton, this tee stays tucked, won't chafe, and, actually keeps you cooler. \$18 [bibbalife.com](http://bibbalife.com)
- 11. Outdoor Research Men's Ignitor Tee**  
Wicks and breathes like a technical long-sleeve, but feels and looks like your favorite tee. A discrete zip pocket stores cards or energy gels, and the fabric's ultra-quiet keeps it fresh for sleep. \$49 [outdoorresearch.com](http://outdoorresearch.com)
- 12. Patagonia Men's Cargo Shorts**  
Durable like canvas shorts, but built from technical fabric, the modern fitting Cargo performs in the water or on the trail. Made of quality poly-cotton. \$79 [patagonia.com](http://patagonia.com)
- 13. Ecco Men's BIOM Ultra Quest**  
Built for trail running, this breathable shoe is also ideal for hiking and backpacking. A \$0 lace sturdy on easy terrain, they're best for rough, rocky trails. \$105 [ecco.com](http://ecco.com)
- 14. Henschel Men's Mesh River Waterproof Shoe**  
When packing space is limited, bring along just the waterproof shoe with a Mesh lining and ultra-light. A reinforced fit and anti-slip sole keep your feet feeling fresh from trail to road. \$120 [henschel.com](http://henschel.com)

- 15. Eagle Creek Pack-It Specter Starter Set**  
These five packs are a Zip It's dream. They're great for keeping things organized and easily accessed. Use them to pack lunches for a day hike, separate laundry or stuff them with clothing for a makeshift pillow. \$80 [eaglecreek.com](http://eaglecreek.com)
- 16. Harkless VVA Litter**  
Make your camping life infinitely better with these portable water filters and mesh made with natural silica. For more info: \$60 [harkless.com](http://harkless.com)
- 17. Ethernord Outdoor Lantern**  
Keep things lit at top and light your campsite with a lantern that uses an efficient version of the incandescent lightbulb. Features to create a 12-hour, 15x15-foot bag burner. \$32 [ethernord.com](http://ethernord.com)
- 18. Kelly Deluxe Lounge Chair**  
Kick, lean, relax. The fully featured camping chair is made with a steel frame and includes three recline positions, adjustable arms, and fold-out beverage holder. \$74 [kelly.com](http://kelly.com)
- 19. MBI Kingdom Tent with Connect Tech Garage**  
A reliable outdoor space, the Kingdom is a completely storage tent with a center divider to create two spacious rooms. Use the Connect Tech upper attachment to add on a garage with 50 feet of space for your gear. Tent \$289, Garage \$100 [mbi.com](http://mbi.com)
- 20. World Travel Adventure Medical Kit**  
Need to write away prepared with the well thought medical kit? Includes pain medication, topical quality tools, first aid kit, and guide to providing care when help is hours or even days away. \$70 [adventuremedicalkit.com](http://adventuremedicalkit.com)
- 21. Stone Island Backpackery Bag**  
Get away in a regular-size bag that always feels like a tent than a backpack. With the convenient carrying handle, it's a tent that never goes. A tent frame ensures you won't get off. \$100 [stoneisland.com](http://stoneisland.com)
- 22. Cold Aho Backpack**  
There are many reasons we love Lull tent gear—and this two-in-one backpack is one of them. It's a technical backpack that converts into a heavy pack, a easy cool and stylish heavy pack. That's it. \$80 [lull.com](http://lull.com)
- 23. Osprey Tempest 9 Pack**  
Whether hiking or mountaining, this pack excels. A ridged foam backpanel promotes airflow, and pockets on the shoulders and hipbelt put a camera and snacks within reach. \$90
- 24. Kelly TrailLogic Backpack**  
Pack a heavy machine? Changing with a model that grows as you can have your clothes at the campsite and other smart features like a built-in system for drying your clothing, and a strong bag. Hydration compatible with your preferred. \$120 [kelly.com](http://kelly.com)
- 25. Grand Trunk Random Sleep Tent**  
Made from ripstop fabric, the sleep tent is machine washable and weighs 10 pounds. Use it as an extra tent between you and forest bedding, or stretch your stay with this feature tent on a camping trip. \$89 [grandtrunk.com](http://grandtrunk.com)
- 26. Henschel SleepLite Cot**  
Winging under the ground, the compact cot is a cinch to set up. Plus, the shock-corded poles offer better support for a good night's rest. \$198 [henschel.com](http://henschel.com)
- 27. Ramblify Solar Charger**  
Charge your USB device with the solar-charged charger that works even when cloudy. Just strap it to your pack or hang from your tent to power up. At \$100, it's \$100 [ramblify.com](http://ramblify.com)
- 28. Magellan Pack Helium**  
Give your smartphone an extra 80% battery life with this ultra-thin, portable battery case. It's perfect for wilderness trips when you don't access to a charging outlet for extended periods of time. \$79 [magellan.com](http://magellan.com)
- 29. Otterbox Preserver Phone Case**  
Drop or crush your smartphone without worry in a Preserver. Interior foam cushions while the hard polycarbonate shell protects from impact. \$60 [otterbox.com](http://otterbox.com)
