- › Adjustable for torso length

CAPACITY
60 L

OUTER DIMENSIONS
25 in L x 14 in W x 13 in H

WEIGHT
7 lbs, 11 oz

COLORWAY
Steel Blue (shown),
Metal Gray, Patina Green

MSRP
\$290

URL
www.ospreypacks.com

+ **NOTES**
Osprey's Sojourn features an ample 60 liters of capacity along with its StraightJacket compression system and plenty of internal mesh pockets and straps that help to keep everything in place. This soft bag has a rigid chassis and can be carried by its two oversized carry handles or rolled like traditional carry-on luggage with its telescoping handle. Additionally, it also converts into a backpack — but unlike the others in this guide, it is adjustable for proper torso fit. This is critical when carrying heavy loads over long distances. This bag comes in different sizes.
