*Your dad is a complex man who is almost impossible to buy a gift for, right? Don't worry, this handy guide contains 15 Scout-tested items—from bikes to watches to backpacks to booze—that might actually put a smile on the old man's face.*

Whether your dad—or grandfather, or father-in-law, or brother—is an outdoorsman or a couch warrior, he's going to love opening up one of these Scout-tested gifts come Father's Day. And, hey, if you see something you like, there's no law that says you can't get one for yourself. (We're sure your pop would agree!)

When he needs some time to get away and become one with nature, make sure the Atmos AG 50 is in his arsenal. This smooth pack doesn't even feel like it's on your body. With Osprey's Anti-Gravity technology, the pack features a system of continuous lightweight mesh that contours to the body allowing unhinged mobility. Sometimes a man just has to get away and doesn't want to feel the weight of his load. We get it. **\$230**
