Poco AG

The new Poco AG Series features Osprey's Anti-Gravity Suspension System in a supportive, lightweight, well-ventilated and easy-to-adjust child carrier. Other features include a wide base with locking foot bar, back-panel reservoir sleeve and adjustable child seat height with safety leg loops. The carrier also comes with a sunshade that can be used with the add-on raincover. It is available in three models. MSRP: \$250-\$300.
