THIS WEEK IN GEAR: WHAT YOU MISSED (OCT. 23, 2015)

Every week, we bring you five gear-related stories, from all over, that you won't want to miss. Here are this week's highlights:

THE AMAZING WARRANTIES OF THE OUTDOOR INDUSTRY

"Outdoors gear gets used hard and put away dirty," begins this recent piece by [Gear Junkie](#). "Yet many brands stand behind products in full."

Interested to know which outdoor gear companies carry the most generous warranties for their products? This roundup features everything from lifetime, no-questions-asked guarantees to promises to repair or fix specific parts that may wear out over time. The list is surprisingly extensive.
