

Washington Trails

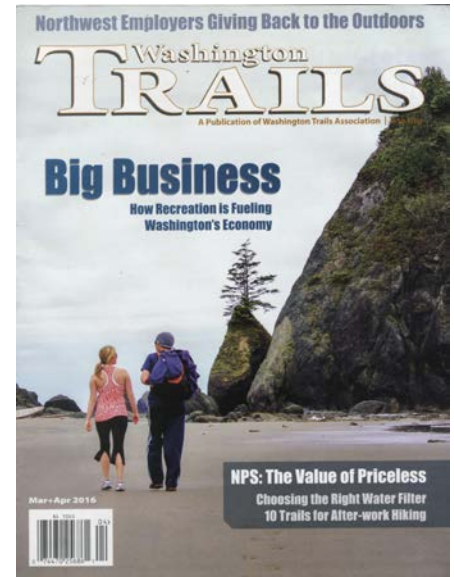

March/April 2016

Hit the Trail – Osprey Packs Supporting Partner of Washington Trails Outdoor Leadership Training

Featuring: Jet

Circulation: 13,000

Readership: 39,000

HIT THE TRAIL

Unplug for Nature

An introduction to backpacking empowers young people with new skills, increased confidence and more opportunities to visit Washington's unique destinations. That's why Washington Trails Association is thrilled to have **Osprey Backpacks** as a supporting partner of its Outdoor Leadership Training gear library. With these generous donations, community leaders can outfit their groups with everything needed to introduce young people to the Washington's wildest places.
